Applicant's "Petition For Revival of an International Application For Patent Designating the U.S. Abandoned Unintentionally Under 37 CFR 1.137(b)," filed in the above-captioned application on 07 October 2005 is **GRANTED**.

Applicant indicates that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, as required by 37 CFR 1.137(b)(3). The appropriate national fee and petition fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

Applicant supplied a declaration in compliance with 37 CFR 1.497(a)-(b) during the international phase. The fee for late furnishing of the search fee, examination fee or oath or declaration will be charged to deposit account no. 10-1250, as authorized.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including mailing of a Notification of Missing Requirements indicating that an English translation of the international application is required.
